10. **Dietary restrictions:** yes/no

Band Aimed For: Fullmarks

Reasons:

Complete and flawless implementation of all specified requirements with exceptional attention to detail.

Robust testing strategies ensuring high reliability and correctness of the program.

Clear documentation, well-structured code, and effective use of design patterns, resulting in a highly maintainable and scalable application.

"I have invested considerable effort into developing the highest-quality project possible, given my current understanding of Java, which I acquired during this course."
